

My G2E Show Planner Quick Start Guide

Now it's easier than ever to navigate and plan your time at G2E in the NEW venue of the Sands Expo and Convention Center. Start by using the My G2E Show Planner tool to bookmark the exhibitors you want to visit at the show.

Creating Your My G2E Show Planner Account:

Start by clicking Customize Your Agenda on www.GlobalGamingExpo.com to create your My G2E Show Planner account.

Fill in your email address* and click "Sign Me Up"

A screenshot of the "My Show Planner" account creation and login page. The page title is "Global Gaming Expo (G2E) My Show Planner". Below the title are navigation links: Search, Featured, MyShow, Floor Plan, Specials, and Press. There are two main buttons: "CREATE A FREE ACCOUNT" and "LOGIN TO EXISTING ACCOUNT". Under "CREATE A FREE ACCOUNT" is a "Sign Me Up" button. Under "LOGIN TO EXISTING ACCOUNT" are input fields for "Email Address:" and "Password:", a "Login" button, and a "Forgot Your Password?" link. A list of benefits for MyShow Planner is provided: 1. Keep track of exhibitors you want to visit at the show, and 2. Organize sessions and appointments with your own calendar.

* TIP! Use the same email address used when you registered to attend G2E. This will allow you to access your list of exhibitors from your phone in G2E Mobile as well!

Fill in your information and be sure the box to share your information is checked. This will allow exhibitors you add to your Planner to contact you before the event with additional information or to set up an appointment.
