

7.1 F&B at G2E INFORMATION

As an F & B Exhibitor at G2E please review this section carefully. We have summarized some important information that pertains to you regarding your upcoming exhibit at the G2E Show.

The information in this section is also located throughout the Exhibitor Manual but to make it easier for you to locate important information we have designated this section just for you. With your cooperation and help we will have another successful G2E and F&B at G2E Show.

What you will find in this section:

- Fire Safety Exhibit Guidelines (LVCC)
- Food Prep Application (LVCC)
- Authorization for Food and/or Beverage Sample (ARAMARK)
- Ice Order Form (ARAMARK)
- Refrigerated/Frozen Storage Info (Freeman)
- Refrigerated/Frozen Storage Labels (Freeman)
- Electric Information & Order Forms
- Water & Drain Information & Order Forms
- F&B Floorplan highlighting prep area & refrigerated storage trucks (Freeman)
